Literature is human's expression. It is divided into drama, novel, poem, and also song. Song is one of the literary works that has beautiful words on it like figurative language, diction, and also imagery.

The problems of this study are analyzing the detailed, general meaning, and also the messages of Spice Girls' song "Goodbye".

This study used the descriptive qualitative because this research started with collecting reviewing research literature to provide the data. This research used objective approach because that is the story of Spice Girls. Thus, the object of this study was Spice Girls' song lyrics "Goodbye" in the form of lines and sentences.

The detailed meaning of the song lyrics "Goodbye" tells about the parting between Spice Girls and X-member of Spice Girls "Gerry Halliwell". She leaves Spice Girls because she wants to find out her own way to be a solo career. Although they are not together anymore but Spice Girls still love her and Gerry will always be in their heart. The song also describes about their togetherness in the past both in joy and sorrow. However, although they are not together anymore but Spice Girls will always help and support Gerry's way. The general meaning of the song tells about the parting between Spice Girls and X-member of Spice Girls "Gerry Halliwell". She has gone to leave them to find out her own way because she wants to be a solo career.

The messages of the song lyrics "Goodbye" reminds us not to dissolve ourselves into the pain and never regret the parting because nothing is immortal in this life. Meeting and parting, joy and sorrow are the variation of this life and believe that inside the pain there must be lessons we can get.
