ACKNOWLEDGMENTS

Alhamdulillah, a deepest gratitude should go to Allah S.W.T, this research would have never been completed without great love, grace, blessing, and mercy from Him. The researcher should thank for the invaluable physical and spiritual guide from Allah SWT which has been lent for her during the process of this research. Shalawat and Salam are addressed to the final, chosen, religious messenger, the Prophet Muhammad S.A.W. This thesis has been finished, under the assistance, guidance and love of some people. Therefore, the researcher would like to express her greatest gratitude and appreciation, especially to:

1. My first advisor, Dra. Thathit Manon Andini, M.Hum and my second advisor Dr. Sri Hartiningsih, M.M. for their suggestions, guidances, advices, encouragements and their times during the advising periods, even life lessons. May Allah always bestow them an endless blessings and protect them and their family. Aamin.

2. My beloved parents “Mrs. Saodah and Mr. Bapak Maryoko H.S”, and also my brother “Waliyu Rachman Darmawan” who always pray, encourage, give love and compassion, giving material I need, work hard, always try to do the best, support me all the time and given a smile and happiness in my life for their sacrifice and motivation, without them I would never have the power to finish this thesis.

3. My super best friends Yudistira Assrifudin, Syahid Jundullah, Hari Kurniawan, Gigih Tiyanto, Naila Arofatin, Rickarta Rejayasa, Gianinna and all of friends in B class, F class and even all friends that I know who always give their unconditional love, motivation, support, spirit, care, kindness, togetherness and a lot of great things that encourage me to complete this thesis especially when I was in situation laziness and tiredness in doing this thesis. Thank for being a part of my life.

4. I am also thanks to my uncles, my aunties, for their support until I can finish my college, thank you for everything you have given.
5. My siblings, Annisa Dien Ilmi and Chanivah F Citrannissa Made Putra Winata, Rifai Pamone, Arynda, and Ary Fitri Aji who have been and will always be my greatest cousin all over the world, who share many things, who never feel tired of me in giving her love and support.

- TABLE OF CONTENTS .................................................................................................... vii

## CHAPTER 1 INTRODUCTION ......................................................................................... 1

1.1 Background of Study .................................................................................................. 1
1.2 Statement of Problems ............................................................................................... 5
1.3 Purpose of Study ......................................................................................................... 5
1.4 Significance of Study ................................................................................................. 6
1.5 Scope and Limitation .................................................................................................. 6

## CHAPTER II REVIEW OF RELATED LITERATURE ................................................. 8

2.1 Sociolinguistics .......................................................................................................... 8
2.2 Speech Community .................................................................................................... 9
2.3 Bilingualism ............................................................................................................... 10
2.4 Code .......................................................................................................................... 11
2.5 Code Switching ......................................................................................................... 12
2.5.1 Types of Code Switching ....................................................................................... 12
2.5.1.1 Syntactical Perspective ..................................................................................... 13
    a. Tag-switching ........................................................................................................... 13
    b. Inter-sentential switching ....................................................................................... 14
    c. Intra-sentential switching ....................................................................................... 14
2.5.1.2 Discourse Perspective ....................................................................................... 15
    a. Situational Code Switching .................................................................................... 15
    b. Metaphorical Code Switching ............................................................................... 15
2.5.2 Function of Code Switching .................................................................................. 17
   1. Referential Function ............................................................................................... 17
2. Directive Function

a. Addressee Specification

3. Expressive Function

4. Phatic Function

5. Metalinguistic Function

6. Poetic Function

CHAPTER III RESEARCH METHOD

3.1 Research Design

3.2 Research Object

3.3 Research Instrument

3.4 Data Collection

3.5 Data Analysis

CHAPTER IV RESEARCH FINDINGS AND DISCUSSION

4.1 Research Findings

4.1.1 The Code Switching used in Break Out

4.1.2 The Types of Code Switching used in Break Out

4.1.2.1 Code Switching from Syntactic Analysis

4.1.2.1.1 Tag Switching

4.1.2.1.2 Intra-sentential Switching

4.1.2.1.3 Inter-sentential Switching

4.1.2.2 Code Switching from Discourse Analysis

4.1.2.2.1 Situational Switching

4.1.2.2.2 Metaphorical Switching

4.1.3 Functions of Code Switching used in Break Out

4.1.3.1 Referential Function

4.1.3.1 Directive Function

4.1.3.3 Expressive Function

4.1.3.4 Phatic Function

4.1.3.5 Metalinguistic Function

4.1.3.6 Poetic Function

4.2 Discussion

CHAPTER V CONCLUSION AND SUGGESTION

5.1 Conclusion

5.2 Suggestion
