MOTTO AND DEDICATION

Dan barangsiapa yang menyerahkan dirinya kepada Allah, sedang dia orang yang berbuat kebaikan, maka sesungguhnya ia telah berpegang kepada buhul tali yang kokoh. Dan hanya kepada Allah-lah kesudahan segala urusan.

(Qs. Al Lukman: 22)"

## CHAPTER I: INTRODUCTION

1.1. Background of Study .......................................... 1
1.2. Statement of Problem .......................................... 5
1.3. Purpose of the Study .......................................... 5
1.4. Significance of the Study .................................... 5
1.5. Scope and Limitation .......................................... 6
1.6. Definition of Key Terms ....................................... 6

## CHAPTER II: REVIEW OF RELATED LITERATURE

2.1 Motivation ..................................................... 7
2.2 Perspective Motivation ......................................... 8
2.2.1 The Behavioral Perspective ................................... 8
2.2.2 The Humanistic Perspective .................................. 9
2.2.3 The Cognitive Perspective ................................... 9
2.3 Kind of Motivation ............................................. 9
2.3.1 Extrinsic Motivation ......................................... 10
2.3.1.1 The Factors Affecting Extrinsic Motivation ............ 11
2.3.2 Intrinsic Motivation ......................................... 13
2.3.2.1 The Factors Affecting Intrinsic Motivation ............ 14
2.4 ESP ............................................................ 18
**CHAPTER III: RESEARCH METHODOLOGY**

3.1. Research Design ....................................................... 20
3.2. Population and Sample .................................................. 21
3.3. Sampling Technique .................................................... 22
3.4. Instruments .............................................................. 24
   3.4.1 Questionnaire ..................................................... 24
   3.4.2 Observation ........................................................ 26
3.5. Research Data ........................................................... 27
3.6. Data Collections ......................................................... 27
3.7. Data Analysis ............................................................ 28

**CHAPTER IV: FINDINGS AND DISCUSSIONS**

4.1 Findings .......................................................................... 30
   4.1.1 Students’ Motivation in Learning Reading ...................... 30
   4.1.2 Students’ Motivation in Learning Writing ...................... 35
