Preface: International Conference on Life Science and Technology (ICoLiST)

We are honored to report the 2nd ICoLiST event result articles which were held in Malang, East Java Indonesia on September 12-13, 2019. This prestigious agenda was fully supported by UM and organized by the Faculty of Mathematics and Natural Sciences State University of Malang, Indonesian Biology Society, Indonesian Biology Consortium, and University Consortium (co-host), in collaboration with Universiti Teknologi Malaysia, Universitas Brawijaya, Universitas Diponegoro, Universitas Pendidikan Indonesia, Universitas Muhammadiyah Malang, UIN Maulana Malik Ibrahim Malang, Universitas Ngudi Waluyo, Universitas Ngudi Waluyo, Universitas Trunojoyo Madura, Universitas Islam Malang, Ikatan Ahli Ilmu FAAL Indonesia, General Biologi Indonesia, Indonesia Genetic and Biodiversity Community, GeneCraft Labs, and Infiniti Bioanalitika Solusindo. This conference aims to provide a platform to the researchers, experts, and practitioners from academia, governments, NGOs, research institutes, and industries to meet and share cutting-edge progress in the fields of life sciences and technology. It provides an opportunity to enhance understanding of the relationships between knowledge and research related to life sciences and technology. Moreover, ICoLiST also provides a forum for analysis and formulation issues in Advanced Technology Development, Natural Resources Sustainability, and Human Welfare.

A hundred pre-registered authors are contributed their work in the conference, and it comes to 100 articles be accepted after a double-blinded peer review process. The conference attracted participants from different countries such as Korea, Malaysia, Taiwan, and Indonesia. A broad range of research interest was talking about, and selected posters took place to a short flash of talks. The oral presentation was delivered in a parallel session for each research area in a day.

Finally, we will express our gratitude to all the keynote speakers, participants, delegates and every staff of the Biology Department for the commitment to contributing and support this great event.

Chief Editors

Assoc. Prof. Dr. Ahmad Taufiq, M.Si
