## ACKNOWLEDGMENT

First of all, I would like to say my deep and internal gratitude to Allah SWT for the wisdom, strength, source of inspiration, and guidance through my difficult time in doing this thesis.

My great appreciation and gratitude is for Mr. Drs. Soeparto, M.Pd as my first advisor and Mr. Drs. Sudiran. M.Hum as my second advisor. Thank you for the kindness, advice, criticism, motivation and patience in guiding me to doing my thesis. I am very grateful to have them as my advisor and for all the time they gave to me during the writing process of this thesis.

My gratitude to my family; my father, Mistari, for the understanding and encouragement in keeping me focused; my mother, Alfiati, for all the time she has spent to pray for me; my old sister and brother, Neng Lia and Mas Hamzah, for supporting me in their prayer, in providing me with love, care and funds.

My thankfulness to my beloved boy who has a place within my heart, Arga Dwi T, who always strengthens and encourages me in doing my thesis well. Thank you very much for his love, understanding, and affection that he gave to me for all this time.

For all my best friend “Kepompong” Anggita, Angger, Brian, Sandy thank you for giving me support and for being my best friends for these four years. To all the rest of my friends whom I cannot mention one by one, thank you all. Allah blesses me so much for giving me friends like them all.
