ACKNOWLEDGEMENTS

In the name of Allah, the Most Gracious and the Most Merciful. Alhamdulillah, all praises to Allah for the strengths and His blessing in completing this thesis. At the end of my thesis I would like to thank all those people who made this thesis possible and an unforgettable experience for me.

First of all I pay my gratitude to my first adviser, Dr. Masduki, M.Pd for providing necessary advices, resources, and guidance to accomplish my research work. This work would not have been possible without his guidance, support and encouragement. Under his guidance, I successfully overcame many difficulties and learned a lot. He always reviewed my thesis progress, gave his valuable suggestions and made my corrections. I will not forget his hard work.

I would like to express my very sincere gratitude to my second adviser, Rinjani Bonavidi, M.Pd., Ph.D for the support to make this thesis possible. Thank you for the invaluable advices that made me think positively and felt honored with her confidence and trust on my ability.

I would like to express my greatest gratitude to Sudiran, M.Hum as the Head of English Department for the advice and support so I can conduct my thesis defense this semester. It means a lot to me.

I am thankful to Dra. Lulul Machsufah as the homeroom of X MIA 3 and all of the students for helping me in collecting the data. Thank you for allowing me to conduct the research in MAN Malang I, especially X MIA 3.

My greatest gratitude goes to my beloved friends, Ledy, Shofi, Kiki, Mira who always support and help me in completing this thesis and also for the fun time.
I also thank to Shofi for helping me to collect the data. Thank you for the great moments that we have shared together. Only we know the ups and downs in this so called ‘College Life’.

I should not forget to acknowledge my brother and sister for their continuous love, support, understanding and good wishes whenever I needed. They always support me during my hard times.

Last but not least, I must express my very profound gratitude to my parents for their unflagging love and continuous support and encouragement throughout my life and studies. Thank you for always pray for me and support me.

Finally, I thank all those who have helped me directly or indirectly in the successful completion of my thesis. If I did not mention someone’s name here, it does not mean that I do not acknowledge your support and help. Once again, I would like to thank everyone who supported and helped me during my study and in completing this thesis. Thank you very much.
