ACKNOWLEDGEMENTS

First of all, the researcher thanks to God “Allah SWT” the lord of the world, the king who has given us his great mercies and blessings until the researcher was able to finish writing this thesis. Secondly Shalawat and Salam may be granted to our noble prophet Muhammad saw and his family, his friend, and his followers who have brought Islam until present.

The researcher is greatly indebted to her first advisor, Dr. Estu Widodo, M.Hum who has patiently helped, taught, managed and advised in writing this thesis. Also, her second advisor, Aninda Nidhommil Hima, S.Pd, M.Pd to spend her time on guiding and revising the researcher in completing this thesis.

Furthermore, the researcher wants to send the grateful thanks and deep appreciation to her beloved parent Smail Cheha (my best father who always gives me advise, pray and financial to make my study run smoothly), and Sitihamiyah Tahae (my dearest and sweetest mother who always gives me advised, pray and supports during my study). My beloved brothers, sister, and all my big family who always give sweet smiling. Deeply thanks are also given for her friends who give her a valuable time to support and motivate.

Finally, the researcher hope that this thesis will be useful for the readers as the reference for the next researcher to conduct study related to code switching in Facebook and Instagram.
