ACKNOWLEDGMENTS

Alhamdulillahi robbila alamiin. My biggest thanks to almighty Allah SWT and our prophet Muhammad SAW who has given me inspiration through any possible ways that now I could reach to this state, finishing my thesis. I admitted nothing was easy. However, I reputed the process as my step of becoming a better person, and that’s all because of great people around me.

A big gratitude is addressed to my advisors Mr. Dr. Masduki, M.Pd. and Ms. Dra. Dwi Poedjiastutie, M.A., Ph.D. Thank you for your patience, understanding, contributions, and suggestions that I would not finish this thesis without you.

My deepest gratitude is also addressed to my beloved family, especially my parents Mr. Abdul Malik and Ms. Zauhari who always support and accept me in any situation. The never ending love that they dispensed to me makes me stronger and greater. Thank you to my dearest young sister and brother, Robita Fijilalil Qur’ani and M. Hasbullah. You guys such a fuel of my strength. I will do my best for you guys. A lot of thanks to my big family for treasure me and love me. Thanks for always being proud of me. I love you all.

My special gratitude goes to my fiancé M. Mas Agung Nusantara for become such a great supporter at the moment. You showed it through your direct actions. Thanks for supporting me physically and psychologically. I love you too.

Thank you to my beloved sisters and friends who always support me and entertain me whenever I get down. Thanks to my sister Yhani, Tyas, and Siska. Thanks to my best friends Nuri, Rahma, Ria, Ira, Fitri, Phita, Sista, the members of B class and all the friends that I cannot mention. Thank you very much for the support. I love you guys.
# TABLE OF CONTENTS

MOTTOS AND DEDICATIONS ................................................................. iv
LETTER OF AUTHENTICITY ............................................................... v
ABSTRACT .................................................................................. vi
ACKNOWLEDGEMENTS ................................................................. vii
TABLE OF CONTENTS ................................................................. viii
LIST OF APPENDICES ................................................................. x

## CHAPTER I INTRODUCTION

1.1 Research Background ................................................................. 1
1.2 Research Problem .................................................................. 3
1.3 Research Objectives ................................................................. 3
1.4 Research Significance .............................................................. 3
1.5 Scope and Limitation ............................................................... 4
1.6 Definition of Key Terms ......................................................... 4

## CHAPTER II REVIEW OF RELATED LITERATURE

2.1 The Nature of Code-Switching .................................................. 5
2.2 The Reasons of Using Code-Switching ...................................... 6
2.3 Definition of Response ........................................................... 6
   2.3.1 Kinds of Response .......................................................... 7
2.4 Sociolinguistics ..................................................................... 8
2.5 Bilingualism ........................................................................... 9
2.6 Teaching and Learning Process ............................................. 9
2.7 Senior Students .................................................................... 10

## CHAPTER III RESEARCH METHOD

3.1 Research Design ..................................................................... 11
3.2 Population and Sample ......................................................... 12
3.3 Data Collection ..................................................................... 12
   3.3.1 Research Instrument ...................................................... 13
   3.3.2 Procedures ..................................................................... 14
3.4 Data Analysis ........................................................................ 14
CHAPTER VI FINDINGS AND DISCUSSION

4.1 Research Findings ..................................................... 15
4.2 Discussion ............................................................... 26

CHAPTER V CONCLUSION AND SUGGESTIONS

5.1 Conclusion ............................................................... 27
5.2 Suggestions ............................................................. 27
