ACKNOWLEDGEMENT

Alhamdulillah, all praises to Allah SWT for all His mercy and blessings so that the researcher could finish this undergraduate thesis. Shalawat and salam may always be upon Rasulullah SAW, his family, his colleagues and people who follows his ways.

A lot of guidance, support and encouragement from the researcher’s advisors Dr. Hartono, M.Pd and Laela Hikmah Nurbatra, M.A, M.EdLead in the process of completing this thesis. For that, and for their abundant patience in guiding her, the researcher would like to express her utter gratitude. The researcher also would like to thank the lecturer who taught Intermediate Reading Comprehension course and the third semester students from class C and D for their time and cooperation during the research.

Many greatly dear people have also helped in finishing this thesis; Dodi Andre Wiranata who was always more than willing to lend his ears and help however he could, Hayuningtyas Sri Puspaningrum with her countless support and suggestions that were very useful for the making and revising of this thesis, 6 fellow Thesis February fighters (Yusuf, Hesti, Allisan, Cici and Ajeng), fellow Weebs (Yuuchan, Chrona and Icha), fellow BKMA part-timers, everyone from ELED A 2013, and a lot more friends who cannot be mentioned one by one. May Allah answer their kindness however He sees fit.

Most of all, the researcher would like to show her appreciation to her father, Johansyah and her mother, Nuril Huriah for it was all because of them the
researcher could receive education until reaching the bachelor degree; Let this be the researcher’s first step in repaying for their selfless love, prayers and efforts.

Truthfully, this thesis is far from perfect, yet it expectantly would still be of a useful source of information for the readers. In this case, constructive critics and suggestions are very welcomed for the sake of improvement.
