ACKNOWLEDGEMENT

Assalamualaikum Wr.Wb.

Praise the authors for the presence of Allah who gave Rahmat, Taufiq and Hidayah, so that the writing of the thesis entitled "The Difficulties on Phonological System Faced By Students on Pronunciation Practice Class at IKIP Budi Utomo Malang" can be completed by the author.

The string of prayer and greetings hopefully flow to our lord, the prophet Muhammad sallallahu 'alaihiwassallam, thanks to his sacrifice and love we can all feel the beauty of living under the auspices of this peaceful religion, Islam.

This writing was submitted as one of the requirements in completing the Bachelor Degree (S1) program in the Education of English Language Teachers at the University of Muhammadiyah Malang (UMM). In addition, this writing is also compiled as a form of participation of the author in developing scientific knowledge and the realization of the knowledge that has been gained during a student.

The completion of this thesis is inseparable from the role and support of several related parties who have provided a lot of motivation and assistance. Therefore, a series of expressions of thanks to the author convey profoundly to

1. SantiPrastiyowati, S.Pd.,M.Pd as the first lecturer who has been very helpful for writing this thesis.

2. Dr. Sri Hartingsih, M.M as the second lecturer who has provided a lot of motivation in life researcher.
3. Puji Sumarsono, S.Pd.,M.Pd as the guardian lecturer who has helped a lot in the recovery.

4. Chindy Hanggara Rosa Indah, M.Pd as a lecturer who teaches pronunciation that has helped researcher in obtaining data for this research.

5. Mother, Father, and dear sister as encouragement to undergo this.

6. Ipanfirman, Randi Satrizal Latulumamina, Okta, Aprianti Ohitenan, and other friends who can't remember the names.

Hopefully Allah SWT will always bestow blessings and blessings that are not given to all those who have helped until the completion of this thesis. The author can only pray that your worship will be accepted by Allah as a noble charity. Amen.

The researcher is aware of the weaknesses he has, so that in completing this thesis there may still be errors and shortcomings. Therefore, the authors expect that there will be suggestions and criticisms from all circles in order to perfect this writing. Finally, hopefully this research can be useful for all of us, especially the authors. Amen.
