ACKNOWLEDGMENTS

Bismillahirrohmanirohim, thanks to Allah SWT for the grace, health, and strength given while writing this thesis. At this opportunity, I would like to express my deepest gratitude to:

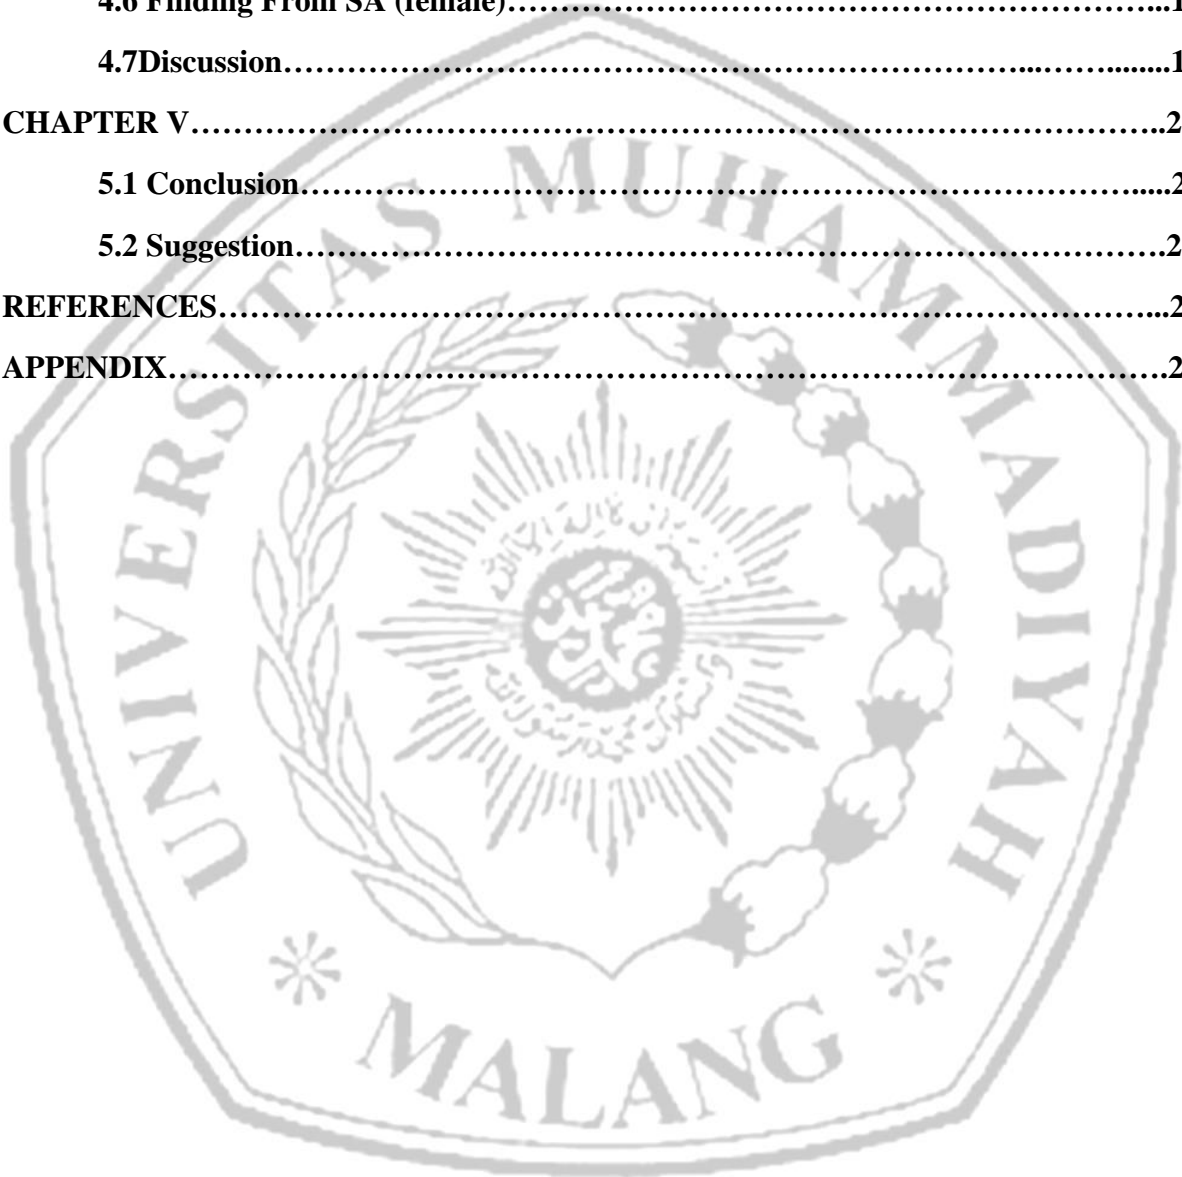

1. Prof. Dra. Dwi Poedjiastutie, M.A., Ph.D., as my advisor who help and guide me patiently in completing this thesis.
2. My beloved parents, for their love, support and never-ending prayers, have always been my strength in completing this thesis.
3. My beloved brother who always supports me and motivates me to be successful in the future.
4. My big family also supports and prays for me from afar.
5. My friends who always give me support and encouragement in completing this thesis.
6. Special thank to Rayyanza Malik Ahmad a.k.a Cipung for always entertain me with his funny videos while I was finishing this thesis.
7. Last but not least, I wanna thank me, for being able to try hard and fight this far. Being able to control myself from various pressures outside of circumstances and never deciding to give up no matter how difficult the process of preparing this thesis is by completing it as well and as fully as possible, this is an achievement worth comparing for myself.

Finally, I can finish writing this thesis. I realize there are still many things that could be improved in writing this thesis. I hope there are constructive criticism or suggestions for the process in the future. I needed the support from the people above to get to this point. Thanks to the prayers of my parents and my supervisor, who always gave good guidance so that I could complete this thesis. Thanks to all those involved in writing my thesis. Writing this thesis is not easy, and this is what makes me aware of the meaning of the maturing process.
